Appointment of PT. Pintar Inovasi Mandiri (PIM)

Dear Acep,
OceanBytes Technology is an authorized distributor of Geoforce GT2/Iridium Edge tracking product and Iridium services.

Subject to local regulatory requirements, OceanBytes Technology has non-exclusive distribution rights and authorization from Geoforce (manufacturer of GT2 terminal) to distribute this product in Indonesia.

In accordance to these rights, OceanBytes Technology hereby appoints PT. Pintar Inovasi Mandiri (PIM) as a certified Service Provider to sell and distribute Geoforce GT terminal and tracking services in Indonesia.

We look forward to working with PT. Pintar Inovasi Mandiri to develop and grow the VMS market in Indonesia.

Kind Regards,

Vipul
